

Here comes the summer...

I hope you all had a wonderful Jubilee Weekend and managed to enjoy an event in your local community. Whilst not very hot, the weather was mostly dry which was a relief. Let's hope that we have a lovely summer, raining at night for our gardens but remaining dry in the day!

'Wherever you go, no matter the weather, always bring your own sunshine.' Anthony J. Angelo.

We certainly did that on 13 September when a group of us descended on Southend. Thankfully we were blessed with lovely weather and an easy journey traffic wise.

Some of us visited the Aquarium but most headed for the longest pier in the world where some walked the 1.34 miles whilst others took the train to the end.

We had a super day with plenty of fish & chips and ice-cream consumed, smiles and laughter shared and friendships renewed.

Easter Egg Competition Winner

We're delighted to announce that Laura Rogers was the winner of our Easter website competition! Congratulations Laura!

Laura was one of a few keen-eyed people that successfully counted 15 eggs hidden within the pages of our site. We entered all successful entrants into a prize draw and Laura was selected as the lucky winner!

Laura has been a long-time volunteer with Enrych and has a wonderful pairing with her friend Anita! In fact, they're such good pals that Laura was even kind enough to share her prize, as you can see in this picture!

We'd love to get your thoughts and feedback on our website, so why not head over there now and use the purple chat button in the bottom right hand corner to tell us what you think - <https://www.enrychoxfordshire.org.uk/>

VOLUNTEERS NEEDED!

We are in urgent need of more volunteers from across the county.

- * If you are already a volunteer could you spare time to volunteer for someone else, possible alternate weeks, or do you have a friend, family member or colleague who may like to volunteer?
- * If you are a member, do you have any family, friends or carers who may wish to volunteer?
- * Do you belong to a group where you could ask for volunteers or put up a poster?

If you have answered yes to any of these questions, please do get in touch with one of us

Cost of Living

The 'cost of living crisis' has become an understandably worrying phrase for many of us – but it's important to know that there's lots of help out there, nationally and locally. We at Enrych can't offer advice but we can point you to some places that may be able to:

Citizens Advice Bureau: <https://caox.org.uk/> - Offering free, confidential advice to everyone in Oxfordshire.

Sofea: <https://www.sofea.uk.com/> - Tackling food insecurity through community larders (a place to access surplus food, access additional services and save money on your bills).

Hub of Hope: <https://hubofhope.co.uk/> - mental health support database for anyone in distress.

Live Well Oxfordshire: <https://livewell.oxfordshire.gov.uk/> - information about groups and organisations offering services across Oxfordshire.

A Day in Life of a Coordinator

Being an Enrych coordinator is not without its challenges but I love my role and I get to meet some amazing people!

Sometimes, when I tell someone that I work for a charity they assume that I mean on a voluntary basis, but all of the Enrych coordinators are actually paid employees with specific roles and responsibilities.

I work part-time with Enrych at 25 hours a week and my main responsibilities include:

- Advertising and recruitment of volunteers
- Receiving referrals for new members
- Enrolling and supporting new members
- Supporting existing members
- Arranging pairings of members and volunteers
- Developing and maintaining the Enrych website
- Drawing up risk assessments
- Promoting our services externally and collaborating with similar organisations across the county
- Organising and delivering social events and Zoom sessions
- Gathering feedback and evaluations

There's a lot of work that goes on behind the scenes and as with all jobs, there's a reasonable amount of paperwork and administration required to make sure everything runs smoothly. However, I'm happy to say that there is no such thing as a 'typical' day at Enrych and every day we do our best to make sure that we are offering the best possible service to our members. So far this month, I've taken part in a wonderful trip to Southend-on-Sea, where a great time was had by all! I've visited new members and told them all about our services and the lovely people that they can expect to meet by joining our Zooms and social events. I've visited an existing member in the John Radcliffe, following a recent fall they had and shared stories about some of the trials and tribulations of time in hospital. I've spoken to new volunteers and scheduled introductions for them with our members. I've got to meet lots of you at thoroughly enjoyable pub lunches and I'm currently looking into other social activities that we can host, such as cinema visits and boat trips.

We're always delighted to hear from you, so please do get in touch with your coordinator for any questions or support that you need!

WE WANT YOU TO CLIMB EVEREST WITH US AND RAISE MONEY FOR ENRYCH!

Join us in our team challenge to collectively go 5 ½ miles together and raise money for Enrych on the 15th September! You can either take part in person at Horspath Racetrack, or virtually in your own area or home and you can travel in any way is best for you whether that's walking, running, riding, or by any other means – we want everyone to feel like they have the opportunity to take part. To join the team, please register your interest with Felicity using the details at the bottom of the page.
